COVID 19 Protocols and Release

(This page will be required the first day of camp.)

Please indicate yes or no for the following questions.

Your answers will be reviewed, but a no answer DOES NOT disqualify you from registering for camp. Orca Adventures needs to have the most accurate information in order to help keep our campers and staff healthy.

Y/N Has anyone in your household tested positive for COVID-19 in the last month. If yes, Date _____.

Y/N Has anyone in your household been in contact with anyone who has tested positive for COVID-19?

Y/N Has your family been following social distancing guidelines?

Y/N Does any of your family work in a high risk occupation? Eg. Nursing, medical, etc.

Y/N Has anyone in your family shown symptoms of COVID-19 in the last two weeks?

Y/N Does your child or anyone in your household have pre-existing conditions such as lung, heart, or immune disorders which would put them at higher risk for COVID-19?

Expectations

- Maintaining 6ft. Physical distance between both campers and staff except in the case of an emergency or to administer first aid.
- Parents and children wearing masks and gloves when asked.
 - For example, during pick up, drop off, and trips to the restroom.
- Making sure your child comes to camp with all check-list items from the website. There will be no sharing of food, water, sunscreen, or other supplies.
- Orca Adventures will be sanitizing surfboards and boogie boards between uses. You are encouraged to come to camp with a surf board or boogie board marked with the campers name if you have one available.

What we are doing

- Taking temperatures of each camper at check-in.
- Sanitizing gear in between uses.
- Keeping our distance when possible.
- Giving verbal reminders about distancing when necessary.

Release Form
